

# WEEK 3 NEWSLETTER

## MIDDLE GROUND

A Jubilee style Middle ground was hosted last Tuesday, where people debated and tried to find compromise on divisive questions regarding key topics like protectionism, liberalism, and nationalism, sparking thoughtful discussions and fresh perspectives.

## Speakers Event

Our first speaker event of the year was hosted on Wednesday, where Professor John O'Neill gave a talk on Ecological Economics, focusing on bio diversity and natural capital. He delivered an insightful talk, and free pizza was enjoyed afterwards, though John O'Neill was offered a non-vegan slice!!

# Adoptions

Tuesday evening saw the annual Family Adoptions where Freshers dressed up as babies and parents dressed up as pensioners!! The night entailed fun games, ranging from a talent show to a beanbag race and a 3 legged race. Punishments were dished out in the form of flour being thrown over the loser, which many people can attest to (especially Ryan). The night also witnessed a bucket break, and ears soon followed the bucket as people were forced to listen to 'I want it that way'.

## HALLOWEEN PUB GOLF

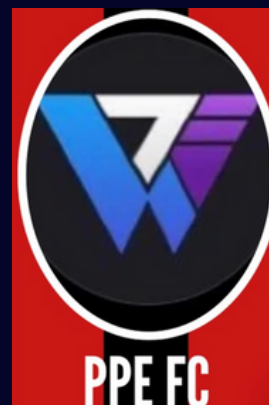

From Jedi to Men in Black, the costumes did not disappoint! The Families bar crawl night was of unmistakable vibes and tons of successful challenges. Bonus points to the family who won the Pub Golf (points are being calculated)... 🎃🎃

"Daddy daddy can you give me a shot please"- probably Bassel

## FOOTBALL RESULT

Great start for the PPE FC at the Wednesday league with a 3-0 victory over Rankitos FC. The team couldn't have started the season any better with clinical finishing seen throughout the game.

MOTM- Aaron: brilliant debut with a Goal. ⚽⚽

# Family Scheme Table

## WEEKLY CHALLENGES

for points!

- jump in zeeman - 15 points
- go to lecture in pjs - 10 points
- sing accapella in middle of piazza - 10 points
  - attendance at circling - 5 points
  - best costume at circling - 5 points

<sup>^</sup> Scores before Pub Golf

# EVENTS TO WATCH OUT FOR IN WEEK 4

Listen to Richard Swinburne give a talk on 'Why a Good God Would Allow Suffering', which will have a Q&A afterwards. This is alongside PPL, EPP and WPS so make sure you get there early to get your seats. For anyone interested in the philosophy of religion, and exploring questions around suffering and evil, this may be of interest to you.

WED  
29

**Speaker: Richard Swinburne**

Zeeman Building MS.02  
2pm-3pm

Come show off your scariest costumes this Wednesday, as our 2<sup>nd</sup> circle is being hosted at Copper Rooms!! Tickets are still on sale, so make sure you buy them ready for a good night. Make sure you get there on time and in costumes, or otherwise punishments will have to be dished out!! This will also be the first time the Social FREP's run the circle, so make sure you don't miss it!!

WED  
29

**Halloween Circle**

Copper Rooms 2  
7.30pm

**!! REMEMBER TO BUY YOUR TICKETS (CIRCLE +EVENT TICKETS) !!**

Join us as we collaborate with Think Tank for designing a policy to address global inequality. This will be fun, but interesting group work ending in a presentation. If you're interested in policy making or inequality as a topic this one is definitely for you!!

FRI  
31

**ThinkTank Policy Collab**

Social Sciences S0.11  
12pm- 2pm
