

WEEK 3 NEWSLETTER

George Finch

PPE Soc hosted a (slightly) controversial speakers event on Wednesday, welcoming the Leader of Warwickshire's County Council George Finch! A packed out IBR at Gibbet hill along with 250 people on the livestream saw the Reform UK member face a guided Q&A event with follow up questions similar to that of the BBC's Question time. Numerous topics were discussed from immigration, to potholes and SEND schools.

Skool Dayz Circle

Fusion witnessed our Skool Dayz Circle with Law Soc on Saturday!! Everyone was dressed up like it was back to school, though some people didn't know their Latin, and thankfully getting kicked out at 10 didn't ruin the vibe as we hit TBar afterwards to get us in the spirit for Pop.

FOOTBALL RESULT

PPE bedazzled in a behind-closed-doors pre-season friendly, beating Athletics FC 6-1.

They also debuted their INCREDIBLE new kit for the start of the season (shown above), where Theo, ever-optimistic, elected for "Champions 26" to be written on the back of his shirt, in a demonstration of the confidence he has that PPE can continue their dominant IM streak.
