

WEEK 2 NEWSLETTER

year abroad + Placement Year

PPE hosted an insightful session on Friday, where Cihan and Anya were brought in to discuss their experiences in a year abroad. From the application process to their times in China and Singapore respectively, they covered every aspect of their year abroad, including how it has helped them in their year 4 and in their application process for other things.

WES Debate

PPE joined forces with EconSummit and SpeakEasy on Thursday to host and debate Sir Desmond Swayne MP!! The debate's motion: "Brexit has improved the UK's global role and International influence", with Sir Desmond arguing for the proposition. Our president, Ryan, led the debate which saw sharp polarized arguments and real insight into parliamentary affairs.

Circle

PPE socials started with a bang for 2026 in Fusion on Wednesday!! From Labubu's, to the Epstein Files, and way too many 6, 7's, our 2025 recap circle saw many purples be drank, and even Warwick's BNOC participate in a blowjob pint. (clearly visible) 🤔🤔

FOOTBALL RESULT

PPE FC finished term 1 on a high with a massive 7-1 victory over Politics FC with Aaron winning yet another MOTM. PPE FC showed no mercy in the derby final with an absolutely flawless display of skill and craft. This win capped off a mind-numbing term for the PPE FC, leaving the league in awe and setting the tone for an even more dominant term ahead and cementing their status as the team to beat in term 2. 🔥🏆

EVENTS TO WATCH OUT FOR IN WEEK 2

We'll be taking part in the upcoming SU Society Fair, so be sure to come and find us on the day. It's a great chance to meet the team, learn more about what we do, and get involved. Keep an eye out for our stall and come say hello! 🙌
