Speaker's Event w/ LatAm

PPE hosted a joint speaker event with LatAM soc on Thursday, where multiple specialists on Latin America delivered an insightful talk on the development challenges facing the region, from short termism in politics and the growth in populism. It was really interesting to hear about the reasons for the challenges that have faced Latin America in the past and still face it in the present.

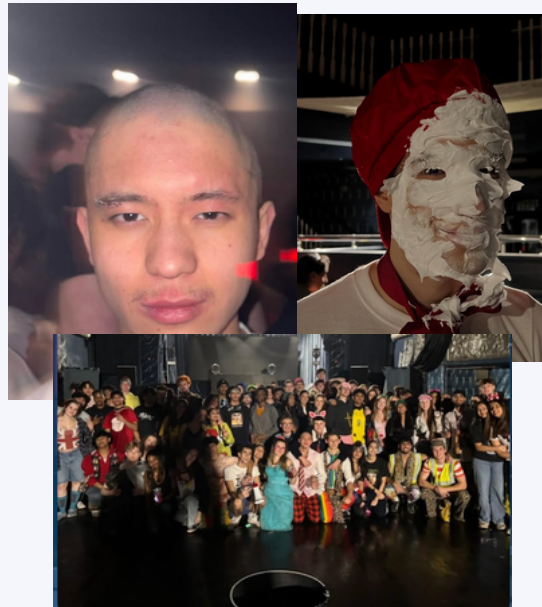

ROUNDTABLE

PPE joined forces with Congress on Tuesday where we hosted a roundtable!! This consisted of different topics, ranging from Philosophy, Politics and technology, and was interesting to hear different people's opinion's and views on topics that are highly relevant to today's society.

PPE X PPL X EPP Alumni Meet

The PPE society joined hands with the EPP and PPL society an to host a Joint Alumni Meet on 29th November. The event brought graduates from organizations such as Barclays, EY, DLA Piper, etc. Alumni shared their career experiences in panel discussions and through 1 on 1 sessions, followed by relaxed networking over food. It was a great chance for students to hear honest insights and connect with people working across a range of industries.

CHARITY CIRCLE

A booked out Assembly witnessed a truly awesome circle on Tuesday. Everyone turned up in their worst outfit, and why some people have those outfits in their wardrobe I don't know!! The money for charity racked up quickly, and by the end of the night, the socials were promising to get a tattoo, and the highlight of course was Ryan getting a buzzcut! An incredible £1177 was raised, big thanks to everyone who turned up and donated!!

FOOTBALL RESULTS

PPE FC continue their incredible streak, with 2 resounding victories against both the Spanish Society and the Portugese Society. The dominant 9-1 score against Spanish soc means PPE are through to the Saturday League Finals!! While the 5-1 win against Portugese soc continues on their impressive streak in the Wednesday League.
